## Organization Structure for Academic Matters of the PG and Ph.D. Students

### Organization Structure for Academic Matters

### Committees for Academic Matters of the PG Students

**Department/Discipline Post-Graduate Committee (DPGC):** Each department/discipline/inter-disciplinary research program has a DPGC to deal with all the academic matters of its PG and Ph.D. students. The committee members and its convener are appointed by the concerned Head. The Thesis supervisor(s) or Faculty advisor(s) of a PG/Ph.D. student report the academic matters related to that PG/Ph.D. student to the concerned DPGC. Its composition and scope of work are described below:

Composition of DPGC	Scope of Work
<p><b>1. Members:</b> 3-4 faculty members representing all the major specializations of that discipline and PG/Ph.D. Student Representative nominated by the Students Gymkhana (for non-evaluation item only).</p> <p><b>2. Convener:</b> One of the members of DPGC appointed by the concerned Head.</p> <p><b>3. Appointing authority:</b></p>	<ol style="list-style-type: none"> <li>To deal with issues related to <b>academic Programs, PG and Ph.D. curriculum and courses, academic performance, academic indiscipline, academic malpractices</b> of individual PG student and send its recommendations to the SPGC.</li> <li>Assessment of the <b>academic Programs</b> and suggests appropriate <b>revisions or modifications or improvements</b> to Academic Senate through SPGC.</li> <li>Revising the PG and Ph.D. curriculum.</li> <li>Starting of new PG Programs and courses and recommending same to the SPGC.</li> <li>Cases of <b>Early-termination</b> of the PG and Ph.D. students of the concerned Departments/Disciplines.</li> <li>Any other issue related to PG and Ph.D. students.</li> </ol>

The concerned Head.

**Senate Post-Graduate Committee (SPGC):** This is an Institute level committee for dealing with the academic matters of the PG and Ph.D. students based on the recommendations of the concerned DPGC and submit its recommendations to the Senate. Its composition and scope of work are described below:

Composition of SPGC	Scope of Work
<p><b>1. Members:</b> (A) Conveners DPGC of all the disciplines, HSS and all the centers (B) One PG and one Ph.D. student representative nominated by the Students Gymkhana(for non-evaluation item only).*</p> <p>2. <b>Convener:</b> Nominated by the Senate</p> <p>3. <b>Member Secretary:</b> DR/AR (Academics) <i>ex-officio</i></p>	<ol style="list-style-type: none"><li>1. To discuss the issues recommended by the DPGCs covering the <b>academic programs, PG and Ph.D. curriculum and courses, academic indiscipline, academic malpractices</b> and send its recommendations to the Senate.</li><li>2. Based on the recommendations of the DPGC, and assessment of the <b>academic programs</b>, suggest appropriate <b>revisions or modifications or improvements</b> to Senate.</li><li>3. Discussing the revision of the PG and Ph.D. curriculum based upon the recommendations of the DPGC and recommending same to the Senate.</li><li>4. Discussion on the starting of new PG programs.</li><li>5. Discussion on starting of new PG and Ph.D. courses and recommending same to the Senate.</li><li>6. Cases of <b>Early-termination</b> of the PG and Ph.D. students keeping in view the recommendations of the concerned DPGC.</li><li>7. Any other academic issue related to the PG and Ph.D. students.</li></ol>

*\*to be excused from those meetings or part of meeting in which certain academic performance issues of the students are to be discussed*

## Rules and Policies for PG and Ph.D. program

1. **Teaching Assistantship (TA) Work:** ALL the Full-time M.Tech. and Ph.D. students irrespective of their category of admission (i.e. **MHRD/ Institute TA, external agency Fellowship Awardees (FA) / Sponsored (SW)**) have to do Teaching Assistantship (TA) duties assigned by the Institute or Competent Authority **to the extent of 8-12 hours of work per week.**

Under the TA duties, a M.Tech./ Ph.D. student is supposed to assist the concerned faculty member (to be known as TA Supervisor) in the academic work related to conducting of practical classes, tutorial classes, preparing assignments/tutorials and their solutions, invigilation duties, etc. and the other academic work assigned by the concern TA Supervisor or the Competent authority.

TA **must NOT** be assigned **confidential work** such as setting up question papers of different examinations and quizzes, final evaluation of answer sheets of different exams, and finalizing the grades, etc. Under no circumstances,

TAs **cannot** be assigned the duties of taking lecture classes of any course.

Monthly release of M.Tech./ Ph.D. scholarship/Fellowship requires submission of TA work report in the specified format duly signed by the TA Supervisor and Thesis supervisor or Faculty Advisor.

2. **Release of M.Tech., M.S. (Research) and Ph.D. Scholarship/ Fellowship:** Each M.Tech./ M.S. (Research)/ Ph.D. student must be present in the Institute at least during the working hours on all working days unless he/ she has been sanctioned for entitled leave. Each M.Tech./ M.S. (Research)/ Ph.D. student has to sign an attendance register daily during the specified time kept in the office of the concerned Discipline/ School/ institute.

The scholarship/ fellowship of the M.Tech./ M.S. (Research)/ Ph.D. students admitted under different category shall be processed for payment on the monthly basis by the respective Head, only after receiving a report from the concern TA supervisor and/ or thesis supervisor/ advisor duly signed by him/ her (as the case may be).

3. **Maximum Duration of Ph.D./ M.Tech./ M.S. (Research) Scholarship for TA category students:**
  - a. **Maximum duration of Ph.D. scholarship will be FIVE years from date of joining the Ph.D. program or date of Ph.D. thesis submission, whichever is earlier.** Ph.D. student under Institute Teaching Assistantship category, on satisfactory annual progress for four years of his/ her Ph.D. program be eligible for the Ph.D. scholarship during the fifth year of Ph.D. program, based on his/ her request for extension of scholarship on a half-yearly basis, subject to rigorous evaluation at the end of four years and no case of violating any rules, regulations, academic ethics, and discipline policy of the Institute should be pending against a Ph.D. student. In all other cases, continuation of scholarship

during the fifth year of Ph.D. program may be considered from the Research Project Fund/ RDF/ CPDA of concerned Thesis Supervisor.

If a student is working on a publication and registered for PhD program under the TA category will be eligible for a scholarship after the thesis submission subject to a maximum duration of five years or till the PhD Viva whichever earlier.

In no circumstance will the Institute Teaching Assistantship be extended beyond five years.

In case of unsatisfactory performance, where a fellowship needs to be stopped temporarily or permanently for any student, the Thesis Supervisor(s), PSPC members and DPGC-Convener have to recommend it to Head of department. Head should communicate the decision to Finance and Accounts Section with a copy to the Academic Office.

- b. **Maximum duration of Scholarship for M.Tech.** student is **two years** or **date of viva whichever is earlier.**
- c. The maximum duration excludes the time period for which a student does not get the scholarship from the Institute due to receipt of internship/ fellowship/ scholarship/ honorarium paid by external agency.
- d. A Ph.D. student can leave the institute to take up an employment or Post-doc fellowship after submitting his/her Ph.D. thesis and the No Dues certificate. In such cases, the Ph.D. scholarship of the student, if he/she is getting it, will be stopped w.e.f. from the date of Ph.D. thesis submission or joining for employment of Post-doc, whichever is earlier.
- e. The Ph.D. scholarship of last month will be released after Ph.D. viva and submission of No Dues Certificate by the Student.
- f. For any such issues related to Ph.D./ M.Tech./ M.S., the student should move his/ her application through his/ her Thesis Supervisor(s), Convener of DPGC and the Head of his/ her discipline/ school.
- g. Scholarship options for Female students during Maternity Leave (ML):

**Option 1:** No scholarship during ML and full scholarship beyond the maximum scholarship time period\* for the duration of ML @ scholarship applicable during ML.

**Option 2:** 25% of the applicable scholarship rate during ML and 75% of the scholarship for the duration beyond the maximum scholarship time period\* for the duration of ML @ scholarship applicable during ML.

**Option 3:** Full scholarship during ML and no scholarship beyond the maximum scholarship time period\* (only for those female students who are only earning

member for their dependents. Income proof of husband/ dependents must be enclosed with the application form).

In case a female student completes her Ph.D./ M.Tech./ M.S.(Research) program within the applicable maximum scholarship duration\* even after availing ML then the scholarship not paid because of choosing option 1 and option 2 can be released after submission of her Ph.D./ M.Tech./ M.S.(Research) thesis.

\* 5 years for Ph.D. and 2 years for M.Tech./ M.S.(Research) program from the date of joining the respective program or date of thesis submission whichever earlier.

4. **Ph.D. Course Credit Requirements:** The minimum and maximum number of courses and credits for the different categories will be as follows.

In addition to the course requirements mentioned below, each Ph.D. student has to do a **compulsory** course **HS 641: English Communication Skills** having contact hours (L-T-P) of 2-0-2 to improve his/her English language communication skill **within its FIRST YEAR of joining the Ph.D. program**. This course will have grades as **Pass (PP) or No Pass (NP)** i.e. it will not affect the CPI of the student.

**Category I:** Ph.D. students with **M.Tech./ M.E./ M.Phil. Or equivalent qualification** shall do 2-3 Ph.D. level courses of at least 3 credits each and 1 Ph.D. seminar course of at least 2 credits.

Minimum number of courses will be 2 Ph.D. level courses and one Ph.D. seminar course (i.e. *minimum coursework of 8 credits*).

**Category II:** Ph.D. students having **M.Sc./ M.A./ M.Com./ M.B.A./ B.Tech./ B.E. or equivalent qualification** admitted to a **Science or HSS discipline** shall do 5-7 courses of at least 3 credits each and 1-2 Ph.D. seminar courses of at least 2 credits each.

Minimum number of courses will be 5 Ph.D. level courses and one Ph.D. seminar course (*minimum coursework of 17 credits*).

**Category III:** Ph.D. students having **B.Tech./ B.E./ M.Sc. or equivalent qualification** admitted to Ph.D. Program in an **Engineering discipline** shall do 6-8 courses of at least 3 credits each and 1-2 Ph.D. Seminar courses of at least 2 credits each.

Minimum number of courses will be 6 Ph.D. level courses and one Ph.D. seminar course (*minimum coursework of 20 credits*).

5. **Policy on Academic Bank of Credits (ABC):**

- a. ABC provides credit accumulation, credit transfer and credit redemption to the students of the Institute.

- b. Credits deposited in ABC can not be redeemed against a core course of an academic program.
  - c. All additional credits earned by a student (over and above the prescribed credits in a semester) can be deposited in the ABC.
  - d. For the usual theory courses in any of the major UG program, the redemption will apply if and only if a Department Elective (DE) in ABC replaces Department Elective (DE) in the academic program, an Open Elective (OE) in ABC replaces an Open Elective(OE) in the academic program, and also provided they are courses at the same level. However, for internship, immersion program, entrepreneurship and other such courses a separate mechanism for redemption needs to be worked out.
  - e. Validity duration will be the maximum duration for completion of academic program.
  - f. Online courses through NPTEL / SWAYAM etc. will be permitted a max of one for PG/Ph.D. and two for UG students. However, prior permission will be mandatory for the same.
6. **Duration of Ph.D. Coursework:** All the Ph.D. students are required to do course work, which shall normally be completed:
- a. Within **one semester** from the date of joining by the students having **M.Tech./ M.E./ M.Phil. or equivalent qualification**.
  - b. Within the **first two semesters** from the date of joining by the students having **B.Tech./ B.E./ M.Sc./ M.A./ M.Com./ M.B.A. or equivalent qualification**.
  - c. All the Ph.D. students **MUST** complete their course under normal circumstances **within ONE year** of joining the Ph.D. program.
  - d. For any variation other than the requirements mentioned in (a)-(c), **permission from the Senate Post Graduate Committee (SPGC)** will be required which will consider the recommendations of the Discipline Post Graduate Committee (DPGC) while deciding on the matter.
7. **Minimum CPI requirement:** Each Ph.D. student must maintain a **minimum CPI of 6.0 at the end of each semester** for continuation in the program. Below this CPI, the Ph.D. student will be placed on **Academic Probation (AP)** which is **one time exercise** during the entire duration of the Program with maximum deduction of Scholarship up to 50%. **During Academic Probation**, the Ph.D. student must secure a CPI of 6.0 for continuation in the Ph.D. Program otherwise the student will be discontinued from the program.

An M.Sc./ M.Tech. student can graduate if he/she earns credits in all the prescribed courses of study (i.e. with CPI 4.0) but, an M.Tech. student should maintain a minimum CPI of 6.0 for continuation of Scholarship under TA category of admission. The faculty members of the concerned discipline/school should ensure that generally a PG student does not graduate with minimum CPI of 4.0.

Senate in its **14<sup>th</sup> meeting held on 20 February 2018** has decided that any **M.Sc. student** who secures CPI less than 3.0 at the end of any semester will be discontinued from his/ her M.Sc. program with an exception that Senate Chairman may consider the appeal of such student to continue in M.Sc. based upon genuineness of the appeal.

Senate in its **14<sup>th</sup> meeting held on 20 February 2018** has decided that any **M.Tech. and M.S. (Research)** student who fails to secure minimum CPI of 5.0 and 6.0 respectively at the end of any semester will be discontinued from M.Tech. and M.S. (Research) program with an exception that Senate Chairman may consider the appeal of such student under exceptional circumstances to continue in M.Tech. or M.S. (Research) program based upon genuineness of the appeal. ***Any M.Tech. student securing CPI in range of 5.0 to 6.0 to be placed on Academic Probation with 25% deduction in the M.Tech. scholarship. Full scholarship will be resumed once M.Tech. student secures CPI 6.0 or more.***

**8. Policy for Auditing a Course:**

- a. If a student **formally registers** to audit a course through proper course registration and wants Audit grade (AU) to be printed on his/her gradesheets for that course, then the concerned student
- (i) Must meet the class attendance criteria of that course as announced by the course coordinator **AND**
  - (ii) Must appear in all the components of the evaluation and secure a pass grade (i.e. non-FR) grade at the end of the semester. Otherwise audit of a course will be considered an **informal arrangement** between the concerned student and the concerned Course Coordinator for attending the course classes for the sake of enhancement of knowledge/information/skills and in such cases no grade will be shown in the grade sheet for such audited course. No re-exam will be conducted for audit courses.
- b. The number of **formal or informal audit registered student** cannot be used to satisfy **the minimum student criteria to run a course.**

- 9. Confirmation of Registration for Ph.D. Degree:** Ph.D. students shall be granted **Confirmation of Registration for the Ph.D. degree** from the first working day of the semester following the one in which they have successfully completed the required course work.

- 10. Selection of Thesis Supervisor:** A M.Sc. and M.Tech. student has to formally select his/her thesis supervisor(s) after completing the **required course-work.**

A Ph.D. student has to formally select his/her Thesis Supervisor(s) either within **ONE semester** of joining the Ph.D. Program or after completing the **required course-work.**

One thesis supervisor will be from the discipline and other supervisor(s) can be taken from within/outside the Discipline/Institute. **Maximum number of thesis supervisors** should NOT be more than **three** under normal circumstances.

Until a M.Sc., M.Tech. or Ph.D. student finally and formally selects his/ her thesis supervisor, the concerned **Head** will be the **Faculty Advisor** to the student. The faculty advisor will provide guidance and advice concerning academic, professional, and personal

growth of the assigned students. The guidance to the students will enable them to complete their course of study in a smooth and satisfactory manner.

**11. Constitution of PG Student's Progress Committee (PSPC):** Progress of thesis work of each M.Sc., M.Tech. and Ph.D. student will be monitored through a committee called **PG Student's Progress Committee (PSPC)**.

**Composition of PSPC:** The PSPC will consist of the thesis supervisor(s), one faculty within the discipline and other faculty/expert within/outside the discipline. One of the thesis supervisors will be the Convener of the PSPC. Visiting Faculty Members and Fellowship Holders can only be Co-Supervisor.

The process of constituting the PSPC can be initiated by a PG/Ph.D. student once the Thesis Supervisor(s) is (are) finalized. The respective DPGC convener recommends the PSPC to HOD and subsequent recommendations are reviewed and approved by the SPGC convener and notified by the Academic Office.

At a time, no Thesis Supervisor should guide more than 3 TA category Ph.D. students. The Thesis Supervisor of the Ph.D. student who has completed FIVE years and he/ she is yet to submit the Ph.D. Thesis, will not be allowed to take new Ph.D. students.

**Procedure for Change of Thesis Supervisor(s):** For Change of thesis supervisor(s), the concerned student should write an application addressed to DOAA which should be routed through proper channel. The application should have written consent of the existing Thesis Supervisor(s) and new Thesis Supervisor(s) with the recommendation of DPGC Convener and Head of the concerned discipline/school/center, ADOAA(PG & PhD) for approval by DOAA.

The form should be accompanied with PSPC constitution form and if required new PSPC members may also be suggested.

In case, a new co-supervisor is not from IIT Indore then the duly filled "Form for selecting a co-supervisor from an external or sponsoring organization" on the letter head of his/her parent Organization/Institute/University must also be attached along with the application.

Request for change of PSPC of any PhD student will not be considered once the student enters into the 4th year of his/her PhD program.

**12. Finalization of the PG/ Ph.D. thesis Topic:** Once the thesis topic of a M.Sc., M.Tech. and Ph.D. student is decided then it should be brought to DPGC for formal approval and institute-wide circulation to avoid the duplication of the thesis work.

**13. Comprehensive examination for Ph.D. students {Senate resolution no. 41.5}:**

- (i) The first Comprehensive Evaluation of Research Progress (CERP) should be a comprehensive examination, i.e. within 12 months of joining the Ph.D. program.
- (ii) Comprehensive examination will have three components as listed below:  
I: Written Test - 40% marks  
II: Viva – 40 % marks  
III: Research Plan – 20% marks
- The passing percentage of marks for comprehensive examination will be 60%.
- (iii) The entire evaluation of all the components will be carried out by the Thesis Supervisor(s) and PSPC members. The questions/ topics for the viva examination shall be from the course work/ relevant research topics studied by the candidate and as prescribed by the PSPC. Preparation of question paper and conducting the written component of comprehensive examination will be the responsibility of the Thesis Supervisor(s).
- (iv) In case a student is unable to clear the comprehensive examination in the first attempt, the concerned student may again appear for the same 18 months from the date of joining the PhD program (24 months for the part time students). This would be the last and final attempt for the student. If the concerned student is unable to clear the comprehensive examination in his/her second attempt as well, he/she may be recommended for an early exit option from the PhD program of the respective department with a master's degree/ course completion certificate. The nature and title of the master's degree will be deliberated in the future Senate meeting.
- (v) Comprehensive examination will be mandatory for students joining Ph.D. program under any category, from the Academic Year 2024-25 onwards.
- (vi) Students opting for internal conversion under dual degree program, from M.Sc./ M. Tech./ M.S. (Res) → Ph.D. shall be exempted from comprehensive examination, subject to all other eligibility criteria being fulfilled by them.

**14. Monitoring the Progress of the PG/ Ph.D. Student:** The PSPC will monitor the progress of the thesis work of the M.Sc., M.Tech. and Ph.D. student through a **Comprehensive Evaluation of Research Progress (CERP)**.

For the Ph.D. student, the **first CERP** is to be conducted within one year of joining the Ph.D. Program.

Based on the CERP, the PSPC will evaluate the progress of the work of the Ph.D. student in terms of satisfactory or unsatisfactory. The progress report duly recommended by the PSPC members must be submitted online to the Academic Office for further action latest by **30<sup>th</sup> April** for the Ph.D. students registered in the Ph.D. Program in the **Autumn Semester** and by **31<sup>st</sup> October** for the Ph.D. students registered in the Ph.D. Program in the **Spring Semester**.

In case the CERP report of a student is found **unsatisfactory** then he/ she will have to give another CERP before the PSPC within maximum THREE months from the corresponding CERP. If second time CERP is also unsatisfactory, then matter must be reported to the SPGC Convener for further action.

If required, the Thesis Supervisor(s) may arrange additional CERP between two **consecutives successful CERP**.

#### **14.1 Revised procedure of Comprehensive Evaluation of Research Progress (CERP) {Senate Resolution no. 41.4}**

- (i) Initiation of CERP must be done by the Ph.D. student instead of Thesis supervisor(s) over the new AROL before the deadline (as applicable).
- (ii) Notification of CERP/JRF to SRF upgradation/Open Seminar/Viva should be done through e-notice board portal of the Academic Office. Any other mode of circulation viz. via e-mail to all faculty members must be avoided.
- (iii) The Ph.D. students will submit a report on their research work up to 10 pages for CERP at least one week prior to the conduct of CERP seminar. For non-CERP semester students will submit a 2 pages report at least one week prior to the last date of the grade submission of ZZ 899 Ph.D. Thesis course. This will be mandatory for students joining the Ph.D. program from the 2024-Autumn Semester onwards. For the existing students, submission of the report/publications (arising out of research work) may be submitted, as it is good practice to be adopted by the Ph.D. students.
- (iv) The deadline for annual CERP cycles will be 31<sup>st</sup> July and 31<sup>st</sup> January every year, in place of the existing deadline for annual CERP cycle of 30<sup>th</sup> April and 31<sup>st</sup> October.
- (v) The deadline for grade submission of ZZ 899 by the Thesis Supervisor(s) will be same as the deadline for conduct of CERP viz. 31<sup>st</sup> July and 31<sup>st</sup> January.
- (vi) All efforts should be made to adhere strictly to the above deadlines. Permission for late CERP is to be sought from Dean, Academic Affairs, through proper channel and with proper justification for the same.
- (vii) CERP/JRF to SRF upgradation/Open Seminar/Viva must be conducted on working days and during the working hours.
- (viii) The Thesis supervisor and all PSPC members will collectively award the overall SS/US grade evaluating the work carried by the student and submit their individual assessment over the portal. The remarks must be in the form of Excellent/Good/Poor.
- (ix) After initiation of CERP evaluation report, the same must be routed through DPGC/CPGC Convener and The Head of Department (HoD)/ center Head respectively. HoD/center Head will approve the CERP evaluation report in place of SPGC Convener, over the academic portal (new-AROL).

**15. Eligibility for Ph.D. Thesis Submission:** A Ph.D. student can submit his/ her Ph.D. thesis ONLY after minimum specified time for Ph.D. thesis submission AND meeting the minimum publication criteria.

**Minimum Publication Criteria:** He/she has **at least three** publications from his/ her Ph.D. thesis in the SCI or other equivalent indexed journals having good impact factor. The list of publications submitted along with report of Open Seminar and Ph.D. Synopsis should **clearly mention the publications from the Ph.D. thesis work** and other publications during Ph.D.

*The above-prescribed minimum publication criteria can be relaxed by the Senate Chairman based upon recommendation of the concerned Thesis Supervisor(s), Head and Dean, Academic Affairs on the merit of the application.*

16. **Minimum and Maximum Time for Ph.D. Thesis Submission:** Minimum time period for submission of Ph.D. thesis will be TWO years for **Category-I** and TWO and HALF years for **Category-II** and **Category-III** from the **Confirmation of Registration for the Ph.D. degree.**

**Maximum time period** for submitting the Ph.D. thesis for full-time Ph.D. program will be **FIVE years** from the date of admission to the Ph.D. program. Request for further extension beyond the maximum duration must be sought from the Senate Chairman through proper channel.

17. **Course codes and grades for M.Sc., M.Tech., M.S. (Research) and Ph.D. Seminar and Thesis:** The codes for the M.Sc./ M.Tech. seminar is XX 698 (XX 697 for M.S.) and for Ph.D. Seminar course is **XX 797** (for the autumn semester) and **XX 798** (for the spring semester). The course **code of the Ph.D. thesis** will be **XX 899** and course **codes of the M.Sc./ M.Tech. Research Projects** will be **XX 799 (3<sup>rd</sup> Sem)** and **XX 800 (4<sup>th</sup> Sem)** where XX is the code of the discipline (i.e. CS, EE, ME, HS, CH, MA, PH, BSE, MSE, etc.). Ph.D. thesis will be awarded **SS** as satisfactory and **US** as unsatisfactory, while the M.Sc. M.S. (Research) and M.Tech. thesis will be awarded letter grade.

18. **Grading of Ph.D. Thesis (XX 899) and consequences of unsatisfactory performance:** After successful completion of the required course work, a Ph.D. student will register for Ph.D. Thesis course (course code XX 899) every semester till completion of the Ph.D. program. It will be awarded Satisfactory (SS) or unsatisfactory (US) grade at the end of every semester by the concerned Ph.D. Thesis supervisor(s).

*Unsatisfactory performance in Ph.D. Thesis course in a semester may lead to temporarily stopping of Ph.D. scholarship until the student attains satisfactory grade in his/her Ph.D. Thesis course. If a Ph.D. student accumulates more than two US grades in XX 899 during his/her Ph.D. program, then that student may face early discontinuation from the Ph.D. program.*

19. **Policy for Class Attendance:** The weight-age for attendance is considered as 10 marks out of total 100 marks.

Keeping marks for attendance is solely up to the discretion of the course coordinator. He/she may not keep marks for attendance, but if they keep marks for attendance, the below-mentioned proposed scheme must be implemented:

- a. Those students who have an attendance percentage of 80 and above (i.e.,  $\geq 80\%$ ) would be awarded complete ten marks (i.e., 10/10).

- b. Students whose attendance percentages lie between 50 to 80 (50% - 80%) have their attendance score calculated as the ratio of their attendance percentage points and the threshold attendance percentage requirement, multiplied by 10. This hence guarantees a range of 6.25 to 10 marks attainable.  
For example, if the attendance threshold percentage is 80% and the student attends 60% of the classes, the student would be awarded a score of  $(60/80)*10=7.5$  marks on 10.
- c. For students with border line attendance (for example: 49% or 79%), it is solely up to the course coordinator to consider the student for 50% minimum attendance or the threshold attendance of 80%.
- d. Students whose attendance percentages lie below 50 (i.e., <50%) would not be allowed to appear for the end-semester exams, would get an XX grade and would have to repeat the course. However, this decision of awarding XX grade is solely up to the discretion of the course coordinator.
- e. If any student misses classes for institute events like FLUXUS or to represent IIT Indore (in BAJA, ROBOCON etc.) or due to medical reasons, the students ought to be granted attendance for the missed classes as per the discretion of the course coordinator (on production of supporting documents or notification by the Academic Office/DOSA/Student Gymkhana as per the underlying reason).

## 20. Policy for the Components of Evaluation

- a. As per the Institute policy, mid semester examination (MSE) and end semester examination (ESE) are the **essential components of the evaluation** with a **minimum weightage** of 20% and 40% and **maximum weightage** of 40% and 60% respectively.
- b. Other components of evaluation such as quizzes, term paper, term project, home assignments, viva, etc. can constitute maximum weightage up to 40% ONLY.
- c. MSE and ESE are to be conducted as per the scheduled exam time table and as per the notified seating plan.
- d. The question papers for the MSE and ESE (even for open-book and take-home type) are to be submitted in the Academic Office within one working day in advance for distribution to all the invigilators for a particular MSE or ESE as per the seating plan.
- e. **Only home assignments during the entire semester without MSE and ESE are NOT allowed to evaluate the students registered in a particular course. This is against the institute norms, dilutes the academic standards of the Institute and highly unfair to the students. The faculty members must desist from such practices.**
- f. Any deviation from this policy without prior approval will be considered very seriously.

## 21. Policy for Open-Book and Take-Home Exam

- a. The concerned faculty has to declare well in advance in the class about the **Open-book or Take-home exams** to the students. The faculty should also declare as to what will be allowed in the Open-book exams i.e. lecture notes, handouts, data

handbook, data sheets, etc. The question paper must contain the detailed instructions for the **Open-Book Exam** so that there is no confusion to the invigilators.

- b. The **Open-book exam** will be of same duration as per the institute norms for the MSE or ESE or quiz. For any deviation from this, approval from DOAA is to be taken.
- c. Both Open-book and Take-home exams are to be conducted on the **scheduled day as per the exam time table** using the IIT Indore answer sheets only.
- d. The **question papers** for both types of exams should be of such standards that they demand the necessity of having Open-book or take-home exam.
- e. The question paper should be submitted to the Academic Office which distributes them to different invigilators according to the seating plan for the exam.
- f. Other Details for the **Take-home exam**.
  - (i) The Take-home exam generally should be of **maximum 24 hours duration** only. For any duration more than this, prior approval from DOAA needs to be taken.
  - (ii) **To maintain the fairness of take-home exams and to avoid mass copying**, the questions should be **open-ended type** which cannot be solved by a group of students. To achieve this objective, the faculty is required to make **different sets of question papers equal in number to the number of the students registered in his/her course**. The concerned faculty should also inform the Academic Office as to which student is to be given which set of question paper so that students do not interchange the question paper after taking it to home.
  - (iii) Students should be asked to collect the Question paper from the Academic Office during the specified time only.
  - (iv) The answer sheets must be submitted to the Academic Office within the stipulated time along with the question paper. The concerned faculty will collect the answer sheet from the Academic Office as done in case of regular exams.
- g. Any deviation from this policy without prior approval will be considered very seriously.

**22. Policy regarding Rescheduling of Mid Semester Exam (MSE) and End Semester Exam (ESE) and other Components of Evaluation:** Following policy is followed to deal with the request of re-scheduling the MSE, ESE and other components of evaluation scheduled as per the Academic Calendar:

- a. Since, the schedules of MSE and ESE for both Autumn and Spring semester is known in 6-8 months in advance, therefore, the **students should NOT participate and/or organize any event/competition which clashes with dates of MSE and ESE**.
- b. Requests of the students to reschedule MSE and ESE will NOT be considered for any **unapproved participation/events** which clashes with the dates of MSE and ESE.
- c. Faculty members will not entertain direct requests of the students to reschedule MSE, ESE and other exams for their unapproved participation/event.
- d. Request for rescheduling the exams for **approved events/ participation** duly recommended by Students Gymkhana and DOSA must be sent to the Convener, Time Table Committee well in advance before the exam schedule is notified.

- e. The MSE and ESE will **be pre-poned** and not **post-poned** in following extreme cases when there is clashes with the declared dates of MSE and ESE:
- Interviews for IIMs admission
  - Medical emergency of the student for self
  - Approved participation in those Events/ Competitions which are recommended by the Students Gymkhana and DOSA. Deviation from this shall be treated on the merit of the case.
- f. The concerned Faculty member / Course Coordinator should submit the question papers for such pre-poned exams to the Academic Office for conducting such exams.
- g. The student will have to return the question papers along with the answer sheet for such pre-poned exams.
- h. In a rare case if any exam however cannot be re-scheduled and a student still misses then he/she will be treated absent and awarded ZERO marks for such missed exams. (NB: ***It is compulsory to appear in ESE of a course. A student absent in the ESE of a course, is to be awarded the FR grade irrespective his/her performance in-semester components of evaluation***)
- i. For better planning of the Academic Calendar (AC), the Student Gymkhana must inform the Academic Office about the reputed important Competitions and Events in which students are likely to participate at the time of preparation of the Academic Calendar. The Academic Office will try to take care of the events/participation as informed by the Students Gymkhana while preparing AC.

**23. System of evaluation and award of grades:** At the end of every semester, a student is awarded a grade based on his/her performance in examination, in every course registered by him/her. These grades are described by the letter grade and have numerical equivalent called the grade points as given below:

Letter grade	Grade point	Remark
AP	10	Awarded to the students with exceptional performance in the course
AA	10	
AB	9	
BB	8	
BC	7	
CC	6	
CD	5	
DD	4	
FR	0	Credit not earned
XX	0	<ul style="list-style-type: none"> <li>• For compulsory course: Repeats the course</li> <li>• For an elective course: Repeat or replace the course</li> </ul>
PP	-	Pass (for non-credit course)
NP	-	Not Pass (for non-credit course)
AU	-	Pass (for audit course)
SS	-	Satisfactory (for Ph.D. thesis)

US	-	Unsatisfactory (for Ph.D. thesis)
----	---	-----------------------------------

- a. Scale of marks to award the above mentioned grades will be decided by the concerned Course Coordinator. However, grades will be authenticated by School Post Graduate Committee (SPGC) before releasing the grades. Course coordinator(s) should not reveal the grades to students before authorization by SPGC. They may show the Answer Sheets and marks to the students.
- b. For AP grade upper cap is 2% with class strength of 25 or above i.e. for a class strength of 25 to 50, 1 student can be awarded AP grade.
- c. Upper cap for AA grade is 15% (including 2% of AP grade), it can be rounded-off to higher integer number in case of fractional number, i.e. 6.1 can be made 7.
- d. Highest grade that can be awarded to a student repeating a course [on account of earning FR or XX grade in that course in previous semester(s)] is BB.
- e. Minimum grade for earning credits in a course is DD.

## 24. Rules and Regulations for 5 Year B.Tech. + M.Tech. program

### A. Eligibility:

- i. Only those B.Tech. students of IIT Indore are eligible to apply for B.Tech. + M.Tech. program who have completed all the prescribed courses of their B.Tech. program till the 6<sup>th</sup> Semester and secured a minimum CPI of 7.00 at the end of 6<sup>th</sup> Semester without earning any FR/ XX grade in any of the courses registered by him/her till 6<sup>th</sup> semester.
- ii. There should not have been any disciplinary cases and/or penalty imposed or contemplated against the student. Student should not have been punished for any type of misconduct/ misbehavior/ indiscipline/ irregularities, and use of unfair means.

### **31. Policy for FA to TA conversion.**

The Ph.D. students who join as Fellowship Awardee (in Projects), and in case of non-submission of the thesis before the completion of the project, students will be allowed for TA scholarship, equivalent to the duration they spent in the Project as a Ph.D. student or maximum five years, whichever is earlier. The fulfillment of the requirement of GATE qualification and maximum 3 TA Ph.D. student rule will be applicable as earlier. At the time of admission of Ph.D. student under the category FA (Project), minimum funding for 1.5 years must be ensured by the concerned Thesis Supervisor(s) and the Department.

#### **31.1 Requirement of GATE qualification for FA to TA conversion {Senate Resolution no. 48.2}.**

Ph.D. students who join under FA (Project) (FAP)/FAR category and apply for conversion to the TA category after the completion of project tenure and fulfilling the criteria (as per Senate resolution no 31.9), the valid GATE score is not compulsory at the time of conversion. However, it must be ensured at the time of admission for B.E./ B.Tech. /M.Sc. candidates.

## Procedure for Submission of Ph.D. thesis

**1. ELIGIBILITY FOR Ph.D. THESIS SUBMISSION:** A Ph.D. student can submit his/ her Ph.D. thesis ONLY after meeting the requirements mentioned in (1A) AND 1(B),

**(1A) Minimum Publication Criteria:** He/she has **at least three** publications from his/ her Ph.D. thesis in the SCI or other equivalent indexed journals having good impact factor. The list of publications submitted along with report of Open Seminar and Ph.D. Synopsis should **clearly mention the publications from the Ph.D. thesis work** and other publications during Ph.D.

*The above-prescribed minimum publication criteria can be relaxed by the Senate Chairman based upon recommendation of the concerned thesis supervisor(s), Head and Dean, Academic Affairs on the merit of the application.*

AND

**(1B) MEETS THE MINIMUM TIME REQUIREMENT CRITERIA:** Minimum time period for submission of Ph.D. thesis from the date of **Confirmation of Registration to the Ph.D. degree (i.e. from the first working day of the semester following the one in which they have successfully completed the required course work)** is

(a) TWO years under **Category-I** (Ph.D. students with **M.Tech./ M.Phil. Or equivalent qualification**),

(b) TWO and HALF years under **Category-II** (Ph.D. students having **M.Sc./ M.A./ M.Com./ M.B.A. or equivalent qualification** admitted to a **Science or HSS discipline**) and **Category-III** (**B.Tech./ M.Sc. or equivalent qualification** admitted to Ph.D. Program in an **Engineering discipline**)

**2. OPEN SEMINAR:** Before submitting the Ph.D. thesis, an **OPEN SEMINAR** is to be given by the concerned Ph.D. student about his/ her Ph.D. thesis work and in the presence of the Ph.D. Student's Progress Committee (PSPC). This seminar will be OPEN to the entire IIT Indore Community and notice of this will be sent by the Thesis Supervisor(s) one week in advance. ***Before the OPEN SEMINAR, the Ph.D. student will send the draft of synopsis of his/her Ph.D. thesis to ALL the PSPC members.***

The PSPC may suggest the Ph.D. student to incorporate all those feasible comments/suggestions received during the OPEN SEMINAR which can improve the quality of the Ph.D. Thesis. The report of the successful Open Seminar must be submitted by the Thesis Supervisor(s) in the **prescribed form (Form-PTS 1)** well in advance before the student proceeds to submit his/ her Ph.D. Synopsis and the Ph.D. Thesis.

**3. SUBMISSION OF Ph.D. SYNOPSIS and THESIS:** After conduct of **SUCCESSFUL OPEN SEMINAR**, the Ph.D. student through his/her thesis supervisor(s) has to submit the following:

- (a) One copy of **synopsis** of his/ her **Ph.D. thesis (both in softcopy and hard copy)** within **maximum 15 days** from the date of the Open Seminar along with the **required Certificates (Form-PTS 2)**. The synopsis should be a **concise summary** (including the figures, tables, few references, and list of publications) of the Ph.D. thesis. It should not contain more than **8-12 pages** of A4 size with the text typed in **12 pt. Times New Roman font having 1.5 spacing**.

The **primary objective** of the synopsis is to enable the reader to judge whether, prima facie there exists a case for accepting the proposed Ph.D. thesis for the award of the Ph.D. degree. The synopsis should therefore, clearly list the contributions resulting from the investigations carried out by the candidate, which has led to the advancement of knowledge in the field of investigation.

In order to fully appreciate the candidate's contribution, it is necessary to put it in a proper context. Therefore, it is **recommended that the synopsis** should contain a brief account of the existing knowledge and the inadequacy or gaps in this knowledge that led the candidate to the formulation of the problem of his/ her investigation. A few references, needed in this respect should be included but their number should normally, not exceed ten. List of publications (including published, accepted, submitted in the refereed journals and conferences) or Patents (granted or applied) from the Ph.D. thesis work should be included.

In case the Ph.D. student gets employment and wants to submit the synopsis and Ph.D. thesis from outside the institute after successful open seminar then the request can be made in the prescribed format (**form-PTS 2a**)

- (b) One soft copy and/or required number of spiral bound copies (if needed for external examiner(s)) of the **Ph.D. thesis** along with the *required form (Form-PTS 4)* within **maximum ONE month** from the date of the Open Seminar along with its editable softcopy in the CD/ DVD and by e-mail. The Ph.D. thesis must be written in the prescribed format as mentioned below:

**Printing Format:** BOTH SIDE PRINTING  
**Paper:** Executive Bond  
**Font:** Times New Roman  
**Line Spacing:** 1.5

- (d) An individual having minimum 10 years of post-Ph.D. industrial experience.

***Same external examiner should not be proposed at least for a period of TWO years, after having examined thesis of a Ph.D. student under the same Thesis Supervisor.***

From the list of suggested examiners, the Chairman, Senate<sup>@</sup> in consultation with the Dean, Academic Affairs\* will give order of preference to these examiners. The **Ph.D. synopsis** will be sent to the Ph.D. thesis examiners in the order of preference for getting their consent to evaluate the Ph.D. thesis within SEVEN days of receipt of such request. If NO consent or reply is received within SEVEN days from the first examiner, then the Ph.D. synopsis will be sent to the next examiner and so on.

From the list of suggested examiners, if NO examiner agrees to evaluate the Ph.D. thesis then the concerned Ph.D. thesis supervisor(s) will be asked to suggest new examiners.

\* (a) If Dean, Academic Affairs (DOAA) is the Ph.D. thesis supervisor, then Director may consult Dean R & D (DORD).

(b) If both DOAA and DORD are the Ph.D. thesis supervisors, then Director may consult DOFA.

@ If the Director is the Ph.D. thesis supervisor then DOFA in consultation with DOAA may select the Ph.D. thesis examiners.

The names of the selected examiners will be kept confidential till the Ph.D. Oral Examination is conducted successfully.

**5. EVALUATION OF THE Ph.D. THESIS BY THE EXAMINERS:** The Ph.D. thesis examination board will consist of the Thesis Supervisor(s) and the thesis examiners selected as mentioned in (4). The softcopy and hardcopy of the Ph.D. thesis will be sent to ALL the examiners.

The examiners will be requested to send the evaluation report of the Ph.D. thesis **within TWO months** from the receipt of the Ph.D. thesis in the prescribed format (**Form-PTS 5**).

If the evaluation report is **not** received within a period of two months, then a reminder will be sent to the examiner(s) for sending the evaluation report within **next two weeks**. In exceptional cases, the examiner(s) can be given **maximum one month additional time** for the Ph.D. thesis evaluation i.e. maximum within three months the evaluation report should be received.

*In unfortunate case of death of an examiner, a new examiner will be selected and the process of evaluation of the Ph.D. thesis will be started afresh.*

The Ph.D. examiner will be asked to recommend **ONLY** one of the following four options along with the detailed report/feedback justifying his/her recommendation.

- (A)** The thesis in its present form is satisfactory for the award of the Ph.D. Degree.
- (B)** The thesis is recommended for the award of the Ph.D. degree subject to the clarification of the queries/ comments before the Ph.D. Oral Examination Board. If the Ph.D. Oral Examination Board deems it appropriate, the same may be incorporated in the thesis based on the discussions during the viva-voice examination. The revised thesis need not be sent to the examiner.
- (C)** The thesis needs to be revised as per suggestions enclosed and the thesis be sent for re-evaluation.
- (D)** The thesis be rejected.

<b>Recommendation of the Thesis Examiners including the Thesis Supervisor(s)</b>	<b>Action to be taken</b>
1. A and/or B	(A) Oral Examination can be conducted and the required action to be taken if any recommendation is of 'B' category.
2. Any one examiner recommending option 'C'	(A) The thesis is to be REVISED as per the suggestions of the examiner who has recommended 'C' option. The Revised thesis to be resubmitted and will be sent 'ONLY' to that examiner. (B) The Oral examination to be conducted only when, there is a change in the recommendation.
3. Examiner(s) recommending option 'D'	(A) The thesis is to be REWORKED and REVISED in consultation with the Thesis Supervisor(s) incorporating the comments/feedback of the Examiner(s) who has/have given

	'D' category recommendation in such a way that it improves the overall quality of the Ph.D. work. (B) The Thesis is to be resubmitted and will be sent to different Examiner(s) for the evaluation.
4. The Thesis supervisor(s) recommending option 'D'	(A) In the rarest of the rare, the request of the Ph.D. student for changing the supervisor may be considered. (B) The Ph.D. thesis is to be reworked as per the guidance of the new Thesis supervisor. (C) The OPEN seminar is to be given again and after the successful OPEN Seminar, the thesis is to be submitted as new thesis. (D) The procedure of the thesis evaluation is to be followed considering it as new thesis.
(i) In case of both external examiners classifying the Ph.D. thesis as "C" or lower (i.e., "D"), the Open Seminar would be required to be given again and Ph.D. thesis to be resubmitted.	
(ii) In such cases where one examiner classifies the Ph.D. thesis as 'C' category, then the PSPC must evaluate the revisions and recommend or not for submission of the revised version of the Ph.D. thesis. The revised Ph.D. thesis must be submitted along with the recommendation of the concerned PSPC, DPGC Convener and the Head.	

## 6. ORAL EXAMINATION OF THE Ph.D. THESIS and the ORAL EXAMINATION BOARD (OEB):

The Ph.D. oral Examination Board will consist of the following:
