

Registration Process for New UG Students

Academic Year 2026-27 | Autumn Semester

Complete each step in order and check the Academic Portal regularly for the latest admission updates.

1. Check Your Offer Letter

The Academic Office will send your offer letter to the email address registered with JoSAA (B.Tech.) or UCEED (B.Des.). Check this email regularly for admission communications.

2. Confirm the Student List

The list of admitted students will be updated on the IIT Indore Academic Portal.

3. Pay the Fee

Pay the fee according to the Fee Notice, which will be available shortly on the Academic Portal.

4. Receive AROL Credentials

Your AROL ID and password for the Academic Portal will be issued on or after 23 July 2026.

5. Complete Document Upload on AROL

Use your issued credentials to complete the required online details.

- Log in using your issued AROL ID and password.
- Complete all mandatory profile fields.
- Upload documents according to the checklist.
- Bring original documents for in-person verification; admission remains provisional until verification is complete.

6. Attend Registration and Verification

Registration and document verification will take place on 24 July 2026.

7. Stay Updated

Visit the Academic Portal frequently for registration, orientation, and class updates.

Key dates: AROL credentials on or after 23 July 2026; registration and physical verification on 24 July 2026.
