

Indian Institute of Technology Indore
Department of Civil Engineering
Advertisement for Admission to Ph.D. Program

IITI/Acad/PhD Admissions/2023-1

Applications are invited from highly motivated and research-oriented candidates for admission to PhD Program in the Department of Civil Engineering, IIT Indore.

Categories of Admission (Under FA category only):

Kindly refer to the main PhD Advertisement of the Institute available at <https://academic.iiti.ac.in/phdadvt.php> for details of the FA category.

Application Procedure:

Kindly refer to the main PhD Advertisement of the Institute available at <https://academic.iiti.ac.in/phdadvt.php>

Last date of application	24th February 2023
Date of written test	2rd March 2023
Date of interview	3rd March 2023

Research specializations with specific areas available for Ph.D. admissions:

Faculties (Please click on the faculty name for further details)	Research Specialization
Prof. Neelima Satyam	Geotechnical Engineering (Specific Areas: Physical and numerical modelling of failure triggered debris flows for development of early warning system, Geotechnical engineering, landslides, soil dynamics and earthquake engineering)
Prof. Sandeep Chaudhary	Structural Engineering (Specific Areas: Geopolymer, Sustainable construction materials, rheology of concrete, novel bricks and blocks, microstructure durability of concrete, green buildings, construction waste management.)
Dr. Abhishek Rajput	Structural Engineering (Specific Areas: Structural and Impact Mechanics.)

Eligibility Criterion (Qualifying Degree and Examination)

- Kindly refer to the main PhD Advertisement of the Institute available for eligibility under FA category: [PhD advertisement](#)
- The relevant Department of Engineering/Technology for minimum educational qualifications (MEQs) given in that advertisement should be considered as the Department of Civil Engineering.
- The applicant must secure minimum first class in the preceding degree (Master's degree/ Bachelor's degree) where the First Class as defined by the University/Institute awarding the degree.

Note:

1. Mere fulfilment of the essential qualifications does not guarantee admission in PhD program in the Department of Civil Engineering. The selection will be based on the overall performance, which may include written test, interview, academic background, suitability for research in the chosen field/area, research aptitude, communication skills, and others.
2. No TA/DA will be provided to the applicants if called for written test/interview

Letters of Recommendation:

Three (03) letters of recommendation (strictly following the format available with the advertisement) is required for each application. The letters of recommendation should be forwarded by the referees mentioned in the application form. Those letters should be directly forwarded to ce_dpgcc@iiti.ac.in and ceoffice@iiti.ac.in. Please note that there will be no automatic notification to the referees for the letters of recommendation.
