Valid GATE qualification in Electrical Engineering (EE) or Electronics and Communication Engineering (EC) or Electronics and Instrumentation Engineering (IN)			
3	Mechanical Engineering	Four-year Bachelor's degree or Five-year integrated degree with first division (as defined by the awarding Institute/University for Indian applicants and equivalent for International applicants) in Mechanical or Production or Manufacturing or Industrial or Mechatronics or Aerospace or Automobile or Robotics Engineering.	Valid GATE qualification in Mechanical Engineering (ME) or Production and Industrial Engineering (PI) or Aerospace Engineering (AE)			

**** Selection for M.S. (Research) programs would be based on the personal interview of the shortlisted applicants.**

(A) Application procedure:

(B) Instructions for Indian applicants:

All GATE qualified applicants, who have submitted admission application should also register at Common Offer Acceptance Portal (COAP) for making decision against admission offers (if any) on COAP website (<http://coap.iitm.ac.in/>) as and when activated by the organizing IIT. All applicants are advised to keep visiting the academic webpage of IIT Indore and COAP website for latest updates.

1. After successful completion of registration at COAP, an applicant will be able to access information on his/her offers made (if any) from the participating Institutes during the time windows to be announced on the COAP portal.
2. The applicants will be short-listed according to their GATE score. IIT graduates having CPI equal to or more than 8.0 are exempted from GATE qualification. The shortlisting of such applicants will be done on the basis of their CPI. The round wise list of shortlisted applicants will be available on the IIT Indore website (<https://academic.iiti.ac.in/>).
3. No separate call letter will be sent to the short-listed applicants for selection process.
4. Among the short-listed applicants, those who are selected through COAP will be offered admission in the respective PG program and in the respective category (as mentioned at the time of application) strictly in the order of merit.
5. After verification of all the relevant documents, submission of GATE score card and payment of amount of the admission fee (will be announced separately), the admission will be given on the day of course registration to those applicants who accept the offer of admission.
6. **IIT Indore will not conduct any spot-round admission after completion of all the round of Seat Allotment through COAP.**
7. In case an applicant wishes to apply in more than one program then separate application must be filled for each program and separate fee has to be paid for each application.

(C) Instructions for International applicants:

1. **Definition of International applicant:** Anyone who is not a citizen of India will be considered as an international applicant for the purpose of admission.
2. Applicants must apply ONLINE through our website (<http://academic.iiti.ac.in>). This will generate a unique application number for each applicant.
3. In case an applicant wishes to apply in more than one program then separate application must be filled for each program and separate fee has to be paid for each application.
4. Selection shall be based on performance in the interview, which can be conducted through video conferencing also, for the shortlisted applicants.
5. **Fee Structure (for AY 2020-21):** Fee payable by the International applicants shall be as under:

Regions	Tuition fee per Semester (in US \$)	Accommodation charges (excluding dining charges) (in US \$)
SAARC countries	850	500
Non-SAARC countries	1500	600

6. For detailed information international applicants should visit the academic web page of IIT Indore <https://academic.iiti.ac.in/> and may visit the following websites:
 1. http://international.iiti.ac.in/international_students.php and
 2. <https://intapp.iitb.ac.in/>
